

Futurecheck — PASSION INSURANCE STEP 3

Think if climate change results in rainy summers and warm winters? What do you need to do then?

Think if all the hard cash disappears and digital payment methods is the only method left? What do you need to do then?

START HERE

Assume from your wished future you wrote down in the previous task. You are now going to explore how you can make it come true! Start below and work back in time, year by year. Along the road you will meet four obstacles that will help you with stress-testing your future and the road there. Try to be as realistic and specific as you can!

YEAR 1 To achieve your goals for year 2. What do you need to do year 1?

YEAR 2 To achieve your goals for year 3. What do you need to do year 2?

YEAR 3 To achieve your goals for year 4. What do you need to do year 3?

YEAR 4 To achieve your goals for year 5. What do you need to do year 4?

YEAR 5

Your wished future comes true!

Think if Värmland suddenly become Sweden's most popular tourist destination and it's literally pouring in tourists? What do you need to do then?

Think if cars get a total ban by climate reasons, and you can only transport with public transportation? What do you need to do then?
